DAY 1 SINGAPORE ✈️ KUNMING

D

Take an international flight to Kunming. Upon arrival, check into the hotel after dinner.

DAY 2 KUNMING 🚆 BAOSHAN - TENGCHONG

B / L / D

Kunming by train (3.5H) Baoshan

The Longjiang Bridge(Observation Deck) - is a scenic overlook located on the Longjiang Bridge in Yunnan, China. The observation deck offers panoramic views of the surrounding mountains and the Longjiang River below.
Heshun Overseas Chinese Village(includes electric car) - is a historic village. Visitors can explore the village's narrow alleys, traditional architecture, and historical sites such as the Diandong Anti-Japanese War Museum and Ma Bang Caravan Museum.

DAY 3 TENGCHONG - RUILI

B / L / D

Tengchong by coach (3H) Ruili

Tengchong Beihai Wetland Park(including boat tour) - is a protected wetlands area located at the foot of the Gaoligong Mountains. The park offers boat trips and opportunities to stroll among the wetlands, it has relatively clear water and features some decorative fake bird statues and artificial wind turbines.
Tengchong Rehai Scenic Area(includes electric car) - access to the Rehai scenic area and the Geothermal Museum
Ruili-Muse Friendship Bridge - is a bridge that connects the Chinese city of Ruili in Yunnan province with the Myanmar city of Muse. It serves as an important land border crossing point between China and Myanmar. The bridge facilitates trade and cultural exchanges between the two neighboring countries.
Jiegao Border Trade Zone - is a border trade zone in Ruili City, Dehong Dai and Jingpo Autonomous Prefecture, is an Ancient Trade Routes for the economic development and cultural exchange between two cities

DAY 4 RUILI - MANGSHI

B / L / D

Ruili by coach (1H) Mangshi

Independent Trees in a Forest - is a famous tourist attraction located in Jinghong City. It features a large, towering banyan tree that stands alone, surrounded by a dense forest. This unique natural wonder is a result of the tropical climate in the region, which is especially conducive to the growth of banyan trees.
The Morice Falls - is a waterfall located in the Morice Gorge, situated at the junction of Mangshi, Longchuan, and Ruili counties. The falls are nestled amidst lush tropical rainforests, surrounded by towering mountains. **Morice** is the Dai language term for beautiful waterfall.
Mengbana Xizhen Qiyuan - is a public park located in Mangshi City. It features scenic landscapes, park with diverse plant species, traditional architectures, and recreational areas.
The Mangshi Ethnic Culture Palace - is a 154-acre cultural complex located in the southern section of Qingnian Road in Mangshi. It was built in 1988 and features a grand, colorful architectural style inspired by the Dai ethnic group's palace buildings.
Menghuan Shwedagon Pagoda - It is an iconic building and a holy place for the Dai people living here, it's the largest golden pagoda in China and the largest hollow pagoda in Asia. The main body of the tower is a large bell-shaped tower. There are 8 exquisite vase towers on the outer platform of the fourth floor.

Mangshi by domestic flight **Xishuangbanna**

The Dai Minority Village(includes electric car) - is a cultural attraction that showcases the traditional lifestyle and heritage of the Dai ethnic minority group. It has over 1,300 years of history and was previously the home of Dai kings. The village features well-preserved Dai architecture, cultural activities like traditional papermaking and Bai Leaf (palm leaf) writing as well as water splashing show.

Gaozhuang Shwedagon Pagoda - which is a Thai-style pagoda symbolizing the connection of one river through six countries. In the evening, explore the **Gaozhuang Starlight Night Market**. It is full of handicrafts such as pottery and silverwork, ethnic clothing, gem jewelry and more, offering a feast for the eyes.

Primeval Forest Park(includes electric car) - the forest coverage rate exceeds 98%, making it a natural oxygen bar. You may also have the chance to see peacocks in the park.

Elephant Valley(includes cable car) - is the most fascinating rainforest park known for its flocks of Asia wild elephants, currently about 130 wild elephants frequently appear in the valley. In China, Asia elephants can only be seen in the rainforests of Xishuangbanna while the Wild Elephant Valley is the sole place where wild elephants frequently show up.

Xishuangbanna by train (3.5H) **Kunming**

Wangtian Tree Scenic Area (including boat tour) - is scenic area is known for its impressive tropical rainforest and towering trees, offering a unique experience of the natural beauty of the region. Experience the canopy Walkway from the top of the 500-meter-long aerial canopy corridor, 36-meter-high suspension bridge with naturally grown trees as pillars, suspended by steel cables, and protected by nylon ropes and nets. You can enjoy the strange scenery of the tropical rainforest from a wide field of vision.

After breakfast, you will be transferred to the airport to catch your flight back to Singapore. Search Travel hope you had a wonderful journey and shared beautiful memories together.
